

A presentation and panel for teens and parents on transitioning to independent living with T1D

Brought to you by

Beloved Doctors Tariq Ahmad and Saleh Adi will present helpful information on navigating the ins and outs for T1D teens as they transition from a parent's house to college and beyond.

Topics cover self-advocacy and student rights, roommate communications, safe consumption of alcohol (and drugs), scholarships, and more.

A panel discussion with current and former college students, parents, and medical professionals will follow, as well as separate breakout sessions for parents and teens.

Tuesday, April 7, 6:30 - 9:00 PM

Conducted Virtually Via Zoom

COST: \$25 per person; \$45 per family

Featuring Dr. Tariq Ahmad and Dr. Saleh Adi
